

**DEPARTMENT OF SOCIAL WORK SERVICES**  
**NOTICE OF VACANCY**

---

**POSITION:** SOCIAL WORKER  
**SERVICE:** OUTPATIENT FLOAT  
**PROGRAM:** ONCOLOGY

---

**JOB DESCRIPTION:**

This social work float position is in the Derald H. Ruttenberg Treatment Center and Dubin Breast Center. The social worker will have the opportunity to cover various outpatient cancer services and continuity of care positions. The social worker will work with patients from diagnosis to end-of-life and the social worker will provide counseling and other psychosocial services to patients and their families. The social worker will provide these interventions primarily in the outpatient setting but the role may involve some inpatient work as well. Psychoeducation and community planning are a significant part of the social worker's responsibilities. There will be the opportunity to run groups and other integrative services to benefit the patient population.

**REQUIREMENTS:**

- Experience providing psychosocial services to patients with chronic illnesses.
- Skills in rapid psychosocial assessment and focused, short-term treatment.
- Excellent clinical, communication, collaborative, and organizational skills.
- Oncology experience preferred.
- Ability to develop psychosocial programs.

Interested candidates should apply at: <https://careers.mountsinai.org/jobs/3010317?lang=en-us>

**COMPENSATION:**

The Mount Sinai Health System (MSHS) provides a salary range to comply with the New York City Law on Salary Transparency in Job Advertisements. The salary range for the role is \$82,000 - \$94,000 annually. Actual salaries depend on a variety of factors, including experience, education, and hospital need. The salary range listed does not include bonuses/incentive, differential pay or other forms of compensation or benefits.
